EMPOWERING WOMEN

Find Best Blue Collar Jobs

Aims to help empower women in every
sector be it large or small !!

[KNOW MORE](#)

[HIRE NOW](#)

[GET HIRED](#)

Job Search portal!

Tech stack used:- React.js ,Node.js

A candidate searching for a blue collar job in India may not have a fancy resume or college degree needed by the large job portals to get placed. In order to bridge this gap we have launched a recruitment platform specifically designed for them.

1

Features

Let's start on features

“

App Features:-

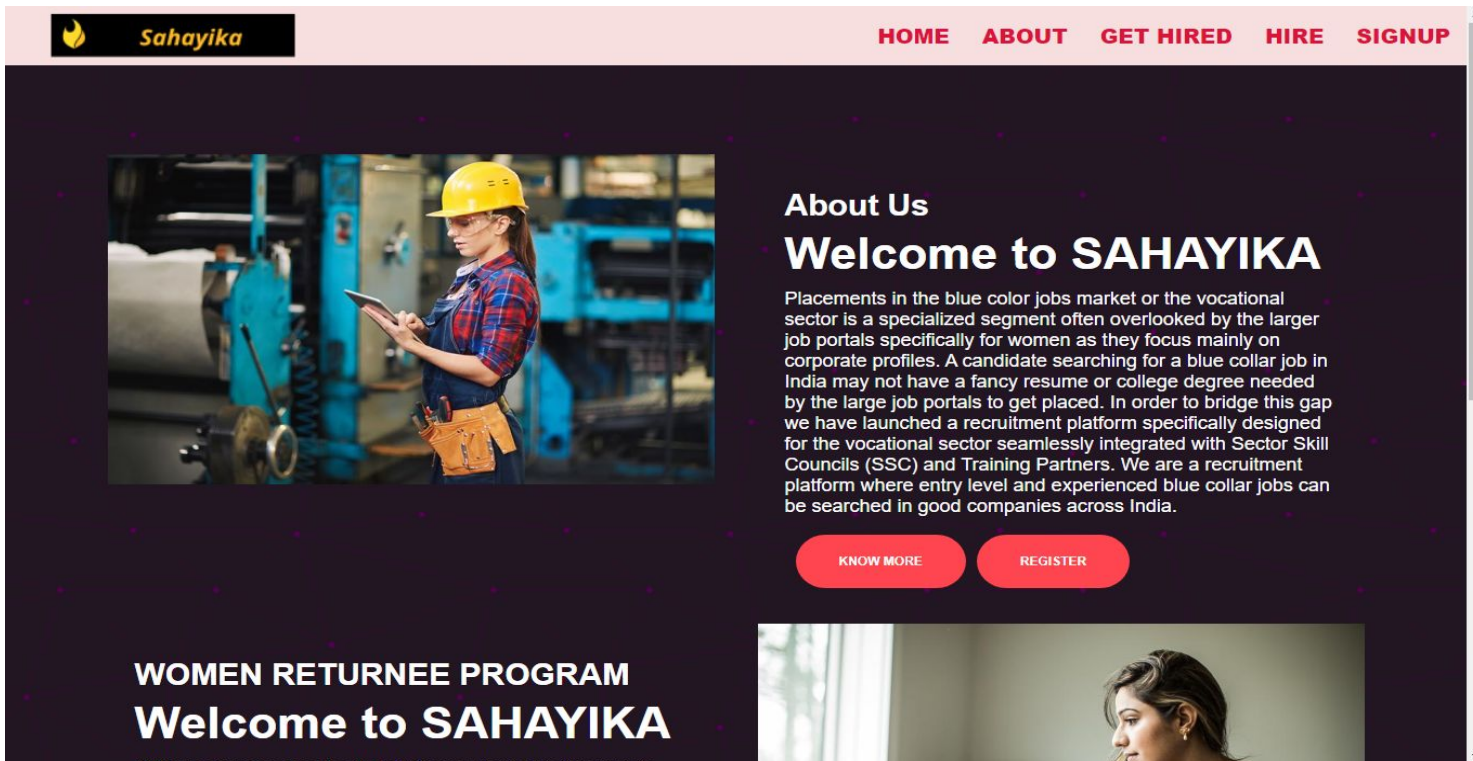

- **Search Feature according to skill sets.**
- **A Job search page where one can search for a job according to his/her skillset.**
- **Candidate page where if a company wants to hire candidate they can hire them .**

Empowering women

Aims to empower women in every sector be
it large or small
